Description	Embark from Geneva for an unforgettable adventure along the stunning Lake Geneva to the majestic Swiss Alps. Upon arrival in Taesch, be transported to the charming village of Zermatt aboard an electric vehicle, where a breathtaking beauty experience awaits you. Admire the iconic silhouette of the Matterhorn dominating the landscape. Explore the narrow streets during free time and admire the traditional houses built with lots of wood and stone. The old part of the village of Zermatt is located on Hinterdorfstrasse and is a true treasure trove of historical buildings. More than 30 buildings feature the classic architectural style of the early Walser settlers, including barns and attics that are up to 500 years old. They represent a piece of history and show how farmers lived in the past.
